

Different Drummer farm Jr. Riding Program

New this season, is our Tuesday morning riding program! This program is designed for graduates of our pony camp with some experience to further develop their riding skills. Riding takes an incredible amount of strength and focus to control a large animal! These 1.5 hour sessions for 9-12 year olds will be very limited in size and can be used to supplement pony camp, or for those who have outgrown pony camp and still would like to ride and spend time at the farm. This 8 week session will be rain or shine as is our camp, and begins on June 25th and runs through August 13th. Included in the session will be grooming, tacking up etc.

Riding helmets and appropriate footwear are required!

The cost of the program is \$450.00 for the 8 week session

Registration is due by May 1st
