

Dear local small business, group, club or troop,

Different Drummer farm has been a very competitive riding stable for 40+ years. These past few years, we are focusing our efforts on creating children's programs and family events. I believe children need to be spending more time outside, and families reconnecting through good old-fashioned time together. Our events are growing, and are so adorable, so there is definitely more visibility. This upcoming fall event is no exception. On Sunday, October 15th, from 1:00-4:00pm, we will hold our 6th annual Pumpkins, Scarecrows and Art event! Scarecrows can be built the day before, or the morning of, and removed after the event!

To get the community involved, I am asking any or all small business owners, clubs, groups, troops, or organizations to think about building a scarecrow for this event that depicts/advertises your business or cause. We will just charge a \$20 fee to have it on display at the event, and the proceeds will go toward prizes for the family scarecrow building contest. I think it's a unique and inexpensive way to advertise locally and would make it interesting for the guests to see them around the farm. Hang a sign or business cards with it. If you can't do a scarecrow, think about donating a gift card or prize from your business.

At this event, we have live music, animal petting, kids art, crafts, wagon rides, scavenger hunt, country games, pony rides, crafts, treats, snacks and sweets and so much more. More info and ticket link is on our website at www.differentdrummerfarm.com Please consider getting involved! Thank you!! Questions? Email Jodiddf@gmail.com or 603-483-2234
